## Welcome to MABA

Welcome to the Morgantown Area Business Association (MABA). We are glad that you and your organization have taken the first step to be involved with both MABA and the local community. The MABA has been in existence since 1984 and its purpose is to bring together local businesses and to develop business partnerships that build, promote, and create new revenue. It allows you to network with other local business and promote local business and activities.

We have an online community to serve our members and local residents. By navigating the website [www.maba-online.com](http://www.maba-online.com) you can look for any type of business or personal service by name or type. We also have a Facebook Page so that members and the community can stay up to date with what is happening in the area.

As a benefit of your membership, you will be listed in both the online directory and the 16,000 directories that are mailed to the community in early spring.

The MABA offers monthly meetings on the third Tuesday of the month. We encourage members to schedule to speak at our monthly meetings to bring attention to their business. MABA offers business training sessions, networking, social functions, an annual Business Expo and much more.

We also give back...MABA gives back to the community by giving scholarships to high school seniors that show promising futures in business.

Enclosed you will find the most up-to-date Directory and a window cling. Thank you for proudly displaying your cling so that others know that you are a member. We are looking forward to seeing you at our next meeting.

Should you have any questions, please do not hesitate to reach out to one of the board members listed below. Contact information is in your directory or on our website.

Sincerely,

2015 MABA Executive Board
